### **How do I build up a note for all line items to place into**

I'm making an SOP Transaction and have 1 or more lines in my source data. Each line can have a note populated. If the note is populated, I want to take the item number and the note and append to a variable with a new line char at the end At the point where it adds the note for the SOP Header after processing all the rows, I'd have a string
