Why we like Wild Born We like the first book of this series because of that fact. The story reminds us of the complex relationship one may have with spirit animals and keep the tone real and yet fantastic. In this engaging adventure, there are a lot of lessons on how to bond and relate to one s spirit animal. Sometimes, it means being challenged and facing our own fears or doubts.

People are shocked to find that they aren't dead and that they become four 11-year-olds spirit animals and wonder why the four fallen are

back. The storyline is great and I will continue to read the series.
